

## EisnerAmper Wealth Management & Corporate Benefits Ranked One of the Top Financial Advisory Practices in the Nation by NABCAP

*National Association of Board Certified Advisory Practices*

---

**July 9, 2012 - BRIDGEWATER, NEW JERSEY:** EisnerAmper Wealth Management & Corporate Benefits, LLC is proud to announce their inclusion in the inaugural **NABCAP 2011 National Premier Advisors List**. The firm was originally recognized on the regional level in October 2011. The NABCAP further scrutinized the 1200 regional winners and their qualifications “with laser focus on specific verifiable categories including risk management, financial planning, customer service, credentials and industry expertise,” according to the NABCAP. The result of this “intensely detailed process is a list of elite advisors who represent the upper echelon of wealth management professionals...each committed to transparency and focused on achieving client objectives while keeping clients fully advised.”

“We are elated that our firm’s practice management strategies and methodologies have been validated by the NABCAP” says Managing Officer Marc Scudillo. According to the NABCAP, their “multi-level objective verification system...diligently and methodically reviews each advisory practice’s...compliance record, education and credentials, structure, specialties, and philosophies along with several other important attributes of quality Wealth Management practices....Our results provide investors with a credible and reliable resource available to aid in their advisor selection.”

According to Dr. Chuck King, NABCAP Board vice president, “Choosing an advisor from the NABCAP list ensures that investors have a significantly higher probability of finding a wealth management professional who is well suited to meet their needs.”

**The NABCAP** is an unaffiliated, nonprofit organization that was created to tackle the daunting challenge of identifying top practitioners, and through that process, help reform the public’s perception of the industry and its professional membership. The organization and its board of directors developed a process designed to identify the best practices in the industry, separating and distinguishing the strongest practitioners from the industry’s pool of advisors.

Our mission is to help our clients navigate through the risks and opportunities in achieving their life goals and corporate goals.

We foster an environment to inspire trust and confidence through all facets of the services we provide.
